36 SPORT LOUNGES	92 BOATS & KAYAKS
44 RIDE-ONS	112 SUPS
50 POOL GAMES	116 IN TOYZ®
52 NOVELTIES	122 AIR PUMPS

About Us

In 1966, a small California company began importing and marketing toys for kids. Today, that company has evolved into the global group of companies known as INTEX®, now developing and manufacturing a mix of products that entire families can enjoy. Much has changed in our **60 years**, but some very important things remain the same.

INTEX continues to deliver high-quality products that bring value to families worldwide. Our design process doesn't end until we're sure we have created a top-tier experience for our consumers—one that is safe, aesthetically pleasing, and enjoyable. Before our goods reach the market, we rigorously test them in state-of-the-art factories. From there, we set the scene for families in over 100 countries and territories to splash around in the sun or welcome guests into their homes.

The INTEX Wet Set line features hundreds of backyard, pool, and lake inflatables designed for all budgets and age groups. From colorful beach balls to luxurious floating islands, Wet Set brings endless summer fun. For outdoor enthusiasts, we offer a versatile lineup of boats, kayaks, and SUPs to enhance any water adventure.

Ask your INTEX representative for one of our product catalogs—we're confident you'll find our lineup unmatched in quality, innovation, and comfort.

INTEX remains dedicated to bringing people together for another **60 years** and beyond—it's what we do best!

Commitment to Excellence

INTEX is committed to delivering the highest quality products that meet or exceed the expectations of our customers. Our vision is to be the most recognizable, trusted and innovative company in our industry. We understand that product safety is essential to upholding our consumers' trust and expectations. That's why we keep quality and safety in mind with every product we produce. In addition to meeting all safety and quality regulations and standards, we set our own rigorous standards and challenge ourselves to continuously improve and exceed them.

Examples of regulations and standards we conform to include:

- EN 16927, Safety and test methods for mini pools (European standard)
- EN 16582, Safety and test methods for domestic swimming pools other than mini pools (European standard)
- Regulation (EC) No.1907/2006 "Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)"
- EN 71 "Safety of toys" (European standard)
- EN 13138 "Buoyant aids for swimming instruction" (European standard)
- EN ISO 25649 "Floating leisure articles for use on and in the water" (European/ International standard for air mats, lounges and other similar items)
- EN 60335-2-41 "Safety of household and similar electrical appliances, particular requirements for pumps" (European standard for water pumps)
- ISO 6185-1 "Inflatable boats" (International standard for Sports Boats)
- NMMA-ABYC (USA standard for high-end sports boats)
- ASTM F963 "Standard Consumer Safety Specification for Toy Safety" (USA toy standard)
- ANSI/APSP-4 "AGP standard" (USA standard for above ground pools)
- CPSIA "Consumer Product Safety Improvement Act" (USA regulation of consumer and children's products)
- ASTM F2666 "Small pools standard" (USA standard for pools under 36" water depth)
- UL1450 "Electric inflators" (USA standard for electric inflators)
- UL1081 "Swimming pool pumps, filters and chlorinators" (USA standard)

Sport Series

FEATURES

Lenses incorporate advanced UV protection to reduce the sun's damaging UVA & UVB rays.

Lenses are treated with a special coating that keeps them clear underwater, ensuring 100% visibility.

Products incorporate hypoallergenic materials that protect users from potentially irritating latex.

Snorkel is configured to prevent water from flowing into the top, allowing the diver to easily swim below the surface.

Seals use silicone, ensuring a softer, more form-fitting product that is comfortable and water-tight.

Mask contains enhanced glass which is stronger and more transparent than standard models.

Boats & Kayaks

NEW

Sport Series

A broad range of recreation boats and kayaks. All models are made with strong and durable materials for stability and rugged use, suited to fishing and boating in lakes and mild rivers.

SuperStrong™ enhanced molecular formulation PVC provides superior strength and durability, ensuring high impact and abrasion resistance.

Pro Series

Designed and engineered for optimum performance, comfort, rigidity and versatility.

SuperTough™ 3-ply laminate construction combined with SuperStrong™ enhanced molecular formulation PVC provide superior structural strength and unmatched resistance to damage from abrasion, impact and sunlight, while allowing more pressure for rigidity.

Sport Series - Challenger™
